21 STAKES WINNERS AMONG 56 CAL DERBY EARLY BIRD NOMINEES

Twenty-one stakes winners, including three from the powerful D. Wayne Lukas stable; the undefeated juvenile champion of Puerto Rico; the juvenile champions at the last four California race meetings, and the winner of the first major Derby event of the year, are among the 56 three-year-olds made eligible to the Grade III $300,000 California Derby through payment of an early bird nomination fee.

The historic Cal Derby will have its 76th running on Sat., April 21 at Golden Gate Fields.

Thirty-six of the early bird nominees also are eligible to the Triple Crown events, the Kentucky Derby, which will be contested two weeks after the California Derby, the Preakness and Belmont Stakes.

Grand Canyon, second highweight to Rhythm (126-125) on the Experimental Handicap and earner of $1,019,540, who Lukas owns in partnership with W.T. Young's Overbrook Farm, tops the roster of Lukas-trained eligibles. An injury will force Grand Canyon to miss the Cal Derby, but Lukas' half-dozen nominees also include stakeswinners Top Cash (Desert Wine Sales Stakes) and Land Rush (Los Feliz), and the recent Santa Anita winner, Real Cash, a California-bred son of Preakness winner Tanks Prospect, also co-owned by Lukas.

FOUR STAKES WINNERS

All four of trainer Ron McAnally's nominees are stakes winners. Silver Ending, whom McAnally owns in partnership with Angelo Costanza, captured the $300,000 El Camino Real Derby at Bay Meadows.

Also nominated are the Silver Hawk colt's barnmates, Bella Cove, a Group I winner in England, who deadheated with Lukas' Land Rush in the Los Feliz at Santa Anita; Single Dawn, third to Grand Canyon in the $900,000 Hollywood Futurity and to Silver Ending in the El Camino Real, and winner of the Hoist The Flag Stakes, and Tight Spot, impressive winner of the mile El Cerrito Stakes at Golden Gate Fields in his last start.

Hall of Famer Lazaro Barrera, who saddled Endow for a California Derby victory last spring, has named Mister Frisky. He recently captured his American debut by running down double stakes winner Tarascon in the Santa Catalina, after winning all 13 of his Puerto Rico starts for Mr. and Mrs. Jose Fernandez.

Another unbeaten nominee is Clement L. Hirsch's Magical Mile, back in training after suffering an injury in winning the Hollywood Juvenile Championship last summer.

Trainer Steve Miyadi names a pair of stakes winners, as did trainer Jack Van Berg, who took the 1988 Cal Derby with All Thee Power.

Miyadi has Kanashu Yano's Drag Race, winner of the $372,100 Del Mar Futurity, and Silky Green, Inc.'s Music Prospector, upset winner of the recent Santa Catalina Stakes, eligible.

Van Berg named a pair of recent additions to his barn, Tarascon, purchased privately from Ridder Thoroughbred Stables by John Franks after winning the California Breeders' Champion and San Miguel Stakes, and French Seventyfive, purchased in the sales ring for $325,000 by the Gayno Stable after taking the Graduation Stakes at Del Mar.

Golden Gate Notes And Quotes

The **"Old Man River" Classified Handicap**, a 1 1/16 miles race for 7-year-olds and up, and a trio of new **overnight stakes** carrying **$30,000-added purses** are included in Golden Gate Fields' third condition book, which has been issued by racing secretary **Robert D. Umphrey**.

The new book covers the 15 days of racing from March 7-25 at Golden Gate Fields. Highlighting the action during the three-week period will be the $50,000-added **Lafayette Invitational Handicap** (3-year-olds stabled at Golden Gate Fields, one mile), on Sat., March 10; $50,000-added **Silky Sullivan Invitational Handicap** (3-year-olds and up stabled at Golden Gate, 1 1/16 miles), Sat., March 17; $100,000 guaranteed **Miss America Handicap** (fillies and mares, 3-year-olds and up, 1 1/16 miles), Sun., March 18; Grade III $200,000-guaranteed **San Francisco Mile** (3-year-olds and up, one mile on the turf), Sat., March 24; and $50,000-added **Pacifica Invitational Handicap** (3-year-old fillies stabled at Golden Gate, 1 1/16 miles), Sun., March 25.

The "Old Man River" has a purse of $10,000 and is carded for 7-year-olds and up which have started for $6,250 or less since Nov. 1, 1989.

The first of the new overnight stakes in the book is "The Watch Wendy," a six-furlong event for fillies and mares, 4-year-olds and up, which have not won a sweepstakes of $16,000 in 1989-90. "The Watch Wendy" will be run on Sun., March 11.

"The Kissin George" has the same conditions as "The Watch Wendy" except that is for 4-year-olds and up. "Kissin George" will be run on Sat., March 24, and will be part of a very good undercard on San Francisco Mile Day.

Race Commentary

Sixth Race

HEYROBBIN Has returned to the level of his most recent success and lower than his recent purchase price through the claim box. His connections have the reputation of being a win oriented stable. **RUNNING PROSPECT** A winner of his last two races and in the money in six of his last seven starts. He steps up in class but appears to be competitive with today's group. **VOTE** Just beat a lesser group in a wire-to-wire performance. he finished very strongly in that race, and used to win with much better company than he'll face today.

Seventh Race

RATHER ODD Proved himself the best of this group in his last out and a repeat of that race should get the same result. **KING SKIPPER** Gave an improved effort in his first start since being claimed by the C. Paasch barn. With continued improvement he could prove best. **CHEESENCRACKERS** Well placed in today's event. He's a proven winner at this claiming level and figures to be close up in the final outcome.

Eighth Race

FABULOUS GUY has been third in his last two races and both were facing extremely tough company. His win on Jan. 25th in 1:08.1 still jumps off the page. **ALOHA JAY** A multi-talented competitor who has won at both short and long distance and has the credentials to win a race of this type. **PITINO BALL** Has had two local outings; one short and one long, and both were good efforts. He's shown in his east coast form that he's no stranger to the winner's circle.

Tickets will be refunded only if a horse's stall door fails to open (a refund is not given if one horse in an entry or a mutuel field is declared a non-starter while other members of the entry or field remain starters.)*

When you buy a $2.00 ticket on a horse you are in effect, buying one share in the horse's performance in the race. The racetrack merely acts as the broker for the transaction and deducts a commission fixed by the state and shared by the state and by the track. The track's takeout on every dollar remains the same, regardless of whether a favorite or longshot wins.
